

**LI'L CHAMPS**

# THE POETRY GRAND SLAM

**LEAD**  
CHAMPIONSHIPS

★ **Grade**

Pre Primary to Grade 2

★ **Type**

Individual

★ **Submission Language**

English/Hindi

★ **Topics/Themes for Finale**

Recite a poem while being dressed up like a character. The character has to be relevant to the poem.

★ **Submission Guidelines**

You need to dress up & recite a poem while being the character. So dress like your poem's character & impress our judges with your performance. The finalists may be asked questions on the character by the judges. So be prepared!

★ **Submission Types**

LIVE Stage Performance

★ **Duration**

Max 2 minutes

★ **Finale**

8th January 2023

★ **Parameters**

- Creativity
- Confidence
- Speaking Skills
- Acting Skills

★ **Skills Tested**

- Communication
- Conceptual Understanding
- Thinking Skills

## Quick Tips

- ✓ Be creative. Find objects in your home that can help you create the outfit/costume for the competition. Use papers, cardboard, charts, glue etc to do this
- ✓ Practice your poem before. Speak with confidence
- ✓ Speak in a loud and clear voice
- ✗ Don't spend too much money to purchase expensive things to make your costume. Instead, create a simple but creative outfit at home
- ✗ Don't be nervous. Remember, the goal is to have fun!
- ✗ Don't choose any topic that can affect people's religious or political sentiments

JUNIOR

ENGLISH CHAMPS

THE PERFECT  
HOST

LEAD  
CHAMPIONSHIPS

★ **Grade**

JUNIOR & SENIOR

SCIENCE CHAMPS

MODEL IT OUT

**LEAD**  
CHAMPIONSHIPS

★ **Grade**

Junior : Grade 3 to Grade 5  
Senior : Grade 6 to Grade 9

★ **Type**

Group of 2 / Individual  
(As per the earlier rounds)

★ **Submission Language**

English

★ **Submission Guidelines**

**Junior :** You have submitted a rough sketch of the model in your semi-finance round. In this round, you need to create a **3-D STATIONARY MODEL** with the help of cardboard, paper, thermocol, or any other materials similar to the design you created in the rough sketch and explain the same.

**Senior:** You have submitted a rough sketch of the model in your semi-finance round. In this round, you need to create a **3-D WORKING MODEL** with the help of cardboard, paper, thermocol, or any other materials similar to the design you created in the rough sketch and explain the same.

In your video explanation, remember the following-

- State the problem clearly while presenting
- State how your model will solve the stated problem
- Try to make the model as self explanatory as possible
- Originality matters! Let your idea be original and not a direct copy of something from the internet
- Prepare well. The judges might ask a question or 2 regarding your model

## Quick Tips

- ✓ State the problem clearly while presenting
- ✓ State how your model will solve the stated problem
- ✓ Try to make the model as self explanatory as possible
- ✓ Originality matters! Let your idea be original and not a direct copy of something from the internet
- ✓ Prepare well. The judges might ask a question or 2 regarding your model
